

## **Covid-19 Policy** (Updated 14/05/20)

### **Cleanliness**

- Increased frequency of cleaning studio premises
- "High touch" areas such as barres and door handles cleaned between each use with anti-bacterial disposable wipes

### **Hygiene**

- We ask that all students, tutors and parents / caregivers wash hands effectively OR use hand sanitiser upon arrival and departure of the studio
- XDS tutors to clean and sanitise any dance equipment between use (e.g. foam blocks)
- Students, tutors, parents / caregivers welcome to wear masks - however this is not mandatory

### **Illness**

- If anyone is feeling unwell, please do not come to the studio (tutors, students, parents)
- Anyone with compromised health may wish to stay home from the studio (e.g. grandparents)

### **Social Distancing**

- Each class will apply 1 metre social distancing - Tutors may choose to use tape to assist younger students in this
- Students will be split into small numbers when performing work that moves around the room (eg. syllabus amalgamations, compositions)
- No touch policy (e.g. no high-fives etc)
- If students don't need to wait in the waiting areas, please wait in the car before class where possible (to help in limiting the number of people in the waiting areas)
- We kindly ask that parents and caregivers drop off / pick up students outside the studio if you do not need to come in. Exceptions can be made where needed - e.g. younger students / first time students
- Unfortunately until restrictions ease, there will be no 'viewing classes' scheduled at this time

### **Contact Tracing**

- Attendance rolls are taken for each class
- We will also have a sign-in sheet for parents / caregivers who do need to come into the studio - Please sign the sheet provided. Please limit your time in the waiting area / studio where possible
